

PROJECT MANAGER, CALGARY

Our client, Calgary Done Right Roofing is a progressive privately owned residential roofing company that is growing quickly. If you are an organized, hard working, attentive person, that always plans ahead – then Project Management will come naturally to you. You're the person with the big picture plan for maximizing production on any given day. But you're also the person with the detailed technical knowledge about roofing to implement specific solutions. You are a professional in your communications and conscious of customer satisfaction. You are a natural leader and capable of coordinating demanding schedules and ensuring quality service consistently. A journeyman's certification and expert knowledge of construction and roofing is necessary, combined with a solid driving record.

Compensation:

\$60K Base + 7.6% Vac/Hol. Pay.. Hefty Production Bonus in the \$20K to \$40K range based on ProductionsTBD. Vehicle Provided. \$500 Per Month Gas Budget. If it's not raining or snowing – You're working, except for Sundays (unless there has been a stretch of bad weather). 2 – 3 Weeks off at Christmas. Partnership in the business is a possibility after a trial period.
